Sunday 30th of October 2016 was an auspicious day for the resident of Rumah Ozanam. At 11:30AM, 30 members from SSVP Singapore paid a friendly visit to Rumah Ozanam. This visit was coordinated by Sis. Veronica Gan, the Singapore entourage was led by the Territorial vice-president East Asia and Oceania Mr. Thomas Tan. They were accorded a warm welcome by the Selangor State Council President, Rumah Ozanam resident, staffs, committee members and volunteers.

In his opening speech the Selangor State Council President briefly explained the formation of the home. The guest were given an insight on the operation of the home and the stigma that is faced by the innocent victim due to lack of understanding by the public. He explained that the operation of the home is with the help of committed volunteers, staffs and SSVP members from the Conference of St. Jude, Rawang. Following his speech there was a presentation of songs by the children and a testimony by an ex-resident of the home. Our Singaporean counterparts were and were overjoyed by the presentation and appreciated the work carried out by the conference. Following this SSVP Singapore vincentians brothers and sisters showered the children and residents with splendid gift which they brought along with them.

After a short prayers let by SSVP Singaporean brothers

SSVP State Council Deepavali Party

An early Deepavali party was held at the SSVP State Council cum The Ozanam Service Centre in Taman Sri Sentosa, K.L. on Saturday (October 22, 2016). The party was sponsored by MWC (Malaysian Wrestling Club) and was well attended by the children that attends the tuition classes run by the Ozanam Service Centre, lads from 3 other SSVP operated welfare homes, the Rumah Pengajian Xavier (RPX) of the Conferences of St Francis Xavier, Rumah Kanak-Kanak Impian (RKKI) of St Ignatius and Rumah Ozanam of the Conference of Holy Trinity. Also present were members of the State Council Board, Conference President and their members, the community of volunteers and some residents living nearby.

The party started with several groups of students, dressed in their Deepavali best, giving their dance performances. From their performances we could recognize their potential talents to be good actors in dancing and also singing.

Sponsored lunch was then served to all by the adults present which included some children mothers, SSVP members and also the party sponsors.

Prize presentation was next and all the children then queue up to wish and be wished "Divali Valtikal" before receiving their presents from MWC members.

MWC members were also briefed by SSVP State Board on the works of the Society to address issues of poverty and social justice and its empowering works through education of children and skills training for single mothers etc.

Group photos were then taken before the party ended. The children too especially several bigger ones were also keen to learn more about wrestling as a sport and hobby and MWC members have promised to work out a special programme to accommodate these interested kids.

Grateful thanks again to MWC for the sponsorship of this year's Deepavalli party at the State Council office.

Book Launch: Guidance to Wheelchair Bound

Wheelchair bound Jeyaraj Santraju recently launched a book on Guidance For Wheelchair Bound.

Sponsored by SSVP Selangor as part of its Empowerment mission, the book aims to share Jeyaraj's knowledge and experience with other wheelchair-bound persons and their families.

Archbishop Julian Leow, accompanied by Archbishop Emeritus Murphy Pakiam, gathered with SSVP members, journalists and well-wishers at Ozanam Service Centre, Taman Sri Sentosa, for the launch on Feb 11.

"The process of bringing this book to reality can inspire us. It has taken Jeyaraj six years to write this, and the book should be an inspiration to all of us to overcome our own disabilities – not only physical, but also emotional and psychological." Those with physical disabilities can be "even greater than us," said Archbishop Leow.

The Society in Selangor has for more than 50 years been working with the poor, the marginalized and the underprivileged in basic areas of food, shelter, education support and medical support. However, with time, the Society took on the added role – of empowering the community whom we journey with so that the community will empower itself to be self-dependent leading towards sustenance and preservation of the environment.

Guidance For Wheelchair Bound is available in English and Bahasa Malaysia. It is priced at RM30. Orders can be made with the State Council Office (03-77839946) or with Jeyaraj himself (012 979 3103).

Prison Ministry Talk

The Event at Coalfields Service Centre was held on Saturday, June 25, 2016 at 09:30AM. It involved the Prison Ministry with Bro James Lim who is the coordinator with Bro Daniel from Second Chance Home who engaged an Ex-Prisoner (Bro Ben) to give his testimony to the people of all ages.

Bro Ben Ex-Prisoner highlighted his experience in prison and how he overcome his drug addiction and has been rehabilitated. He also mentioned that there are more girls involved in drug and other immoral activities and they face rejection from family and friends.

Bro James highlighted some visuals about drug pushes and convicts being canded in prison. It's a very good eye opener for the youths and parents to instill fear in them against such Unhealthy Activities. The response was very encouraging as 42 participants were present.
